Jaipur, dated: 25th August 2015

Director,
American International Health Management Ltd.
Udaipur.

Sub: Essentiality Certificate- Regarding opening of Medical College

Sir,

The desired certificate is as follows:

1	No. of institutions already existing in the State	Public Sector-6 Autonomous Society -1 University (RUHS)-1 Private-5
2	No. of seats available/No. of Doctors being produces annually	2150 (including private, public, autonomous institutions)
3	No. of Doctors registered with the State Medical Council	31769
4	No. of Doctors in Government Service	10566
5	No. of posts vacant and these in rural/difficult areas	2400/556
6	No. of Doctors registered with Employment Exchange	NA
7	Doctor population ratio in State	1:7116
8	How the establishment of college would resolve the problem of deficiencies and improve the availability of such Medical manpower in State	The number of trained and qualified Doctor will increase to take care of shortage. More State students will be available to serve the State.
9	The restriction imposed by the State Government, if any on students who are not domiciled in the State from obtaining admission in the State be specified.	Restriction as per guidelines for admission by MCI, RUHS and State Government & court orders
10	Full justification for opening of the proposed Medical College	At present there are only 13 colleges (as per No.1) for a State population of about 7 Crore. We need more Medical colleges to give chances to meritorious and socio-economically backward state students
11	Doctor population ration proposed to be achieved	1:1000

American International Health Management Ltd., Udaipur has applied for establishment of Medical College at Udaipur (Rajasthan). On careful consideration of proposal, The Government of Rajasthan has decided to issue an Essentiality Certificate to the applicant for establishment of a Medical College with 150 seats.

It is certified that:

1. Applicant owns and manages a 300 bedded hospital.
2. It is desirable to establish a Medical College in public interest.
3. Establishment of a Medical College at Udaipur (Rajasthan) by **American International Health Management Ltd., Udaipur** is feasible.
4. Adequate clinical material as per the Medical Council of India norms is available.

It is further certified that in case applicant fails to create the necessary infrastructure for the Medical College as per MCI norms and fresh admission are stopped by Central Government the State Government shall take over the responsibility of the students already admitted in the college with permission of the Central Government.

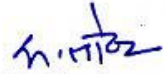

Yours faithfully.

(Dr. Sunil Bhatnagar)
