-2-

The Alignment and Integration Team/committee (AIT) will have atleast one member from each department across phases and is responsible for delivery of the Aligned and Integrated Topics (AITo). The AIT will report to the curriculum committee.

The functions of the AIT include the following :

- a. Responsible for the creating learning and assessment sessions of the Aligned and Integrated Topics (AITo) identified across phases
- b. Each AIT will have a team with adequate representation from the subjects involved in that topic
- c. A team leader from each AIT represents the Aligned and Integrated Topic (AITo) to the CSC and/or CC
- d. Reviews competencies and develops learning objectives for the topic
- e. Assigns learning objectives to each phase and teaching session
- f. Develops learning and assessment methods for the (AITo)
- g. Helps faculty with delivering session appropriately and in a collaborative manner across phases
- h. Collects feedback for the AITo
- i. Provides student support
